Acknowledgement of Country

SGS Economics and Planning acknowledges the Traditional Owners on whose Country we live and work.

SGS Economics and Planning acknowledges that the Indigenous peoples of Australia are the oldest living culture on Earth, have the oldest continuing land tenure system in the World, and have the oldest continuing land use planning and management system in the World.

We acknowledge that the you have suffered the indignity of having your land taken from you without your consent, without a treaty, without compensation. We acknowledge these matters are yet to be justly resolved.

Dr Ed Wensing

Tara Callinan
